

"Also, seek the peace and prosperity of the city to which I have carried you into exile. Pray to the Lord for it, because if it prospers, you too will prosper."  
Jeremiah 29:7 (NIV)

*planting deep for community transformation*

We believe God has birthed and empowered Vintage 242 Church to pursue and seek the transformation of our community through the love of Jesus. Over the past eight years, we have been intentional to live upward as we pursue our own personal growth in our primary relationship with Jesus. We have lived inward, building community in the context of our spiritual family and we have lived outward, loving our neighbor, living on mission and hoping to impact the felt needs of the community in which we live and international community we have partnered with.

As we look to the future we are excited, as we believe God is speaking clearly about planting our roots deep so we can influence on a deeper level for many years to come!

# Family

## ROOTED FOR FAMILY

We have a great problem! We have outgrown our space and need a new home for our family. Looking back, moving to our current space was a dream come true as we took our next step in the life of Vintage. It was a necessary step to sustain the growth we had experienced. Now five years later the next step presents itself as we look to continue our sustained growth in a permanent home for the Vintage 242 family! We can't wait to create a life giving and relevant space that enables our children, youth and adults to do life, worship and meet together.

---

# Neighbors

## ROOTED FOR NEIGHBORS

God has placed us in a community with neighbors. Some of our neighbors know Jesus, but there are many who do not and of those who do not, there are many who never think about or imagine the importance of "church" in their lives. We want to build something that our neighbors and your neighbors would be drawn to apart from attending a service on Sunday mornings . . . a playground for families, nature trails for walking, a café/coffee shop for life conversations, etc. The options are limitless and we continue to pray about God's leading in developing a space that our neighbors love and want to have be a part of their daily life.

---

# Mission

## ROOTED FOR MISSION

We have 48 acres of land! God did not give us this much land to use simply for ourselves. We are prayerfully considering options we will graft into the master plan of our new space that will help fulfill the mission God has given us in our community. We are focusing much of our energy on Fostering Hope, our ministry to foster care. We desire to create spaces that are perfect for visitation with foster parents and children, that provide opportunities for high school foster children to learn a trade and build dignity, that create revenue generating retail space that can fund mission both here and abroad, and are dreaming about even more!

## WHAT WE ARE ASKING OF YOU

*pray*

Please join us in asking God for His vision, His wisdom and His provision, as we take our next steps forward as a family.

---

*give*

We are asking that every person or family commit to a generous, 2-year pledge above and beyond their tithe towards the vision of what God is doing at Vintage 242.

---

*engage*

Participation on Sunday mornings and weekly small groups over the next few months is vital and we ask that you engage every step of the way.

---

*celebrate*

We are already anticipating God's movement in this campaign as we all partner with Him and celebrate His love and movement in our midst.
